Greetings,

As a regular shopper of your store, I would like you to consider carrying GoPicnic Ready-to-Eat Meals.

GoPicnic, Inc. makes tasty, nutritious, ready-to-eat meals that go anywhere, no refrigeration or prep required. I like having a satisfying and convenient bite to eat while I'm on the go and GoPicnic meals are compact enough to fit into any bag that I'm carrying. GoPicnic meals are shelf-stable, yet nutritionally balanced with no trans fats, high fructose corn syrup, added MSG, or artificial color and flavors.

GoPicnic has a great selection of different ready-to-eat meals, including all-natural, gluten-free, vegan, and kosher options.

For more information and to order GoPicnic Ready-to-Eat Meals, contact them at 773-328-2490 or sales@gopicnic.com.

I appreciate your consideration in this matter.

Regards,
